Dear Colleagues:

I would like to recommend with great enthusiasm Mr. Jeffrey Moidel for consideration by you for membership in the National Association of Teachers of Singing. I have know Mr. Moidel for over twenty years and I can say with confidence that he is an outstanding, accomplished musician and has in-depth and wide-ranging knowledge of the voice technically, both through his singing and teaching, and an impressive expertise in the vocal literature. He is a well respected vocal coach and pianist, as well.

He has been involved in teaching voice, coaching and accompanying very fine singers for over twenty-five years and has the kind of personal and professional integrity that is rare. He has also exhaustively researched aspects of music and singing which has kept him evolving as a musician admirably throughout the years.

Please consider Mr. Jeffrey Moidel for membership. He is not only highly qualified, but his membership would be a noteworthy addition to the organization.

Sincerely yours,

Arthur J. Levy
